TEMPUR-Contour™
COLLECTION

With the firmest feel, our original TEMPUR material conforms to your body's contours and relieves pressure points to help you fully relax for rejuvenating sleep.

The MysticBed completes the ultimate TEMPUR-Top™ experience with the body conforming support of TEMPUR-HD®. Caress your body in sumptuous comfort and enjoy customized support and greater pressure-relief.

- Quilted pillow-top comfort layer of highly-conforming TEMPUR-HD material embraces your body for a plush feel that's medium
- Perfectly adapts to your body for a truly customized fit
- Minimizes pressure-points to relieve discomfort, reduce tossing and turning for better quality sleep
- Reduces motion transfer between sleep partners for more restful sleep
- Silk/bamboo blend cover with contrasting microsuede sides is quilted onto mattress and spot-cleanable
- Matching microsuede foundation available in Standard or Low profile
- Hypoallergenic
- Patented one-sided design means no flipping or rotating
- 25-Year Limited Warranty
